Health and Medical Record for Freshman Outdoor Orientation Trips (FOOT)

Instructions.

- 1. ONLY THOSE STUDENTS WHO FILE THIS RECORD PROPERLY CAN PARTICIPATE IN FOOT.
- 2. The pre-participation physical exam (Part C) MUST be completed by certified and licensed physicians (MD, DO), nurse practitioners, or physician assistants. Informed consent, release agreement, and authorization (Part B) MUST be given by both the participant AND by their parent or guardian.
- 3. ALL parts of this form, A, B, and C, are DUE JULY 15.
- 4. By that date, the COMPLETE and SIGNED record must be SCANNED and saved in PORTABLE DOCUMENT FORMAT (PDF). That ONE PDF FILE must be RENAMED "LAST NAME, FIRST NAME.PDF," and E-MAILED to footsummercoordinators@gmail.com.
- 5. Participants MUST BRING a SECOND COPY of their record WITH THEM TO CAMPUS.
- 6. This is NOT the Yale Health Form. It should NOT be sent to Yale Health. We do recommend completing the Yale Health Form and Physical Exam at the same time, for convenience, but that form should be sent to Yale Health, and NOT to FOOT.

Questions? E-mail footsummercoordinators@gmail.com.
